

[Accessories Series](#)

Audiolarm Gasket G-79/61663

More Information

RoHS Compliant

**Specifications**

|                                     |                                                                                                                                                                                                                                                                                        |
|-------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Operating Mode</b>               |                                                                                                                                                                                                                                                                                        |
| <b>Operating Voltage</b>            | 0-0                                                                                                                                                                                                                                                                                    |
| <b>Operating Temperature</b>        | -20_C to +65_C                                                                                                                                                                                                                                                                         |
| <b>Storage Temperature</b>          | -40_C to +85_C                                                                                                                                                                                                                                                                         |
| <b>Surge Voltage</b>                | 20% over maximum rated voltage for less than 5 minutes                                                                                                                                                                                                                                 |
| <b>Reverse Voltage Protection</b>   | To the maximum operating voltage                                                                                                                                                                                                                                                       |
| <b>Construction Materials</b>       | 60 Durometer Neoprene<br>0.062" thick                                                                                                                                                                                                                                                  |
| <b>Construction Materials</b>       | ASTM B117 Certified - Withstands exposure to salt spray for 300 hours<br>IP 68 Certified - Withstands water submergence and dust exposure<br>Humidity- 95% relative humidity at +40_C continuously for 100 hours.<br>Vibration- Withstands vibration between 0 and 55 Hz. on all axes. |
| <b>Life Expectancy</b>              | 10 years under normal operating conditions.                                                                                                                                                                                                                                            |
| <b>Warranty</b>                     | For a period of two years from the date of manufacture under normal operating conditions.                                                                                                                                                                                              |
| <b>Notes</b>                        | This product is not intended as a life safety device.                                                                                                                                                                                                                                  |
